

10 AND UNDER

USTA 10 and Under Tennis is a revolutionary change in the way kids learn and play tennis and includes ages 4-12 years. Following the formula that the majority of youth sports have used for years, this program tailors equipment and courts to a child's size and age from the start. The program begins with a "Red Ball" then progresses to an "Orange Ball" and finishes with a "Green Dot Ball." (Note: "Green Dot Ball" applies to students age 8-12.) 10 and Under Tennis is structured for kids to learn tennis, rally and play quickly in a way that is both enjoyable and rewarding.
